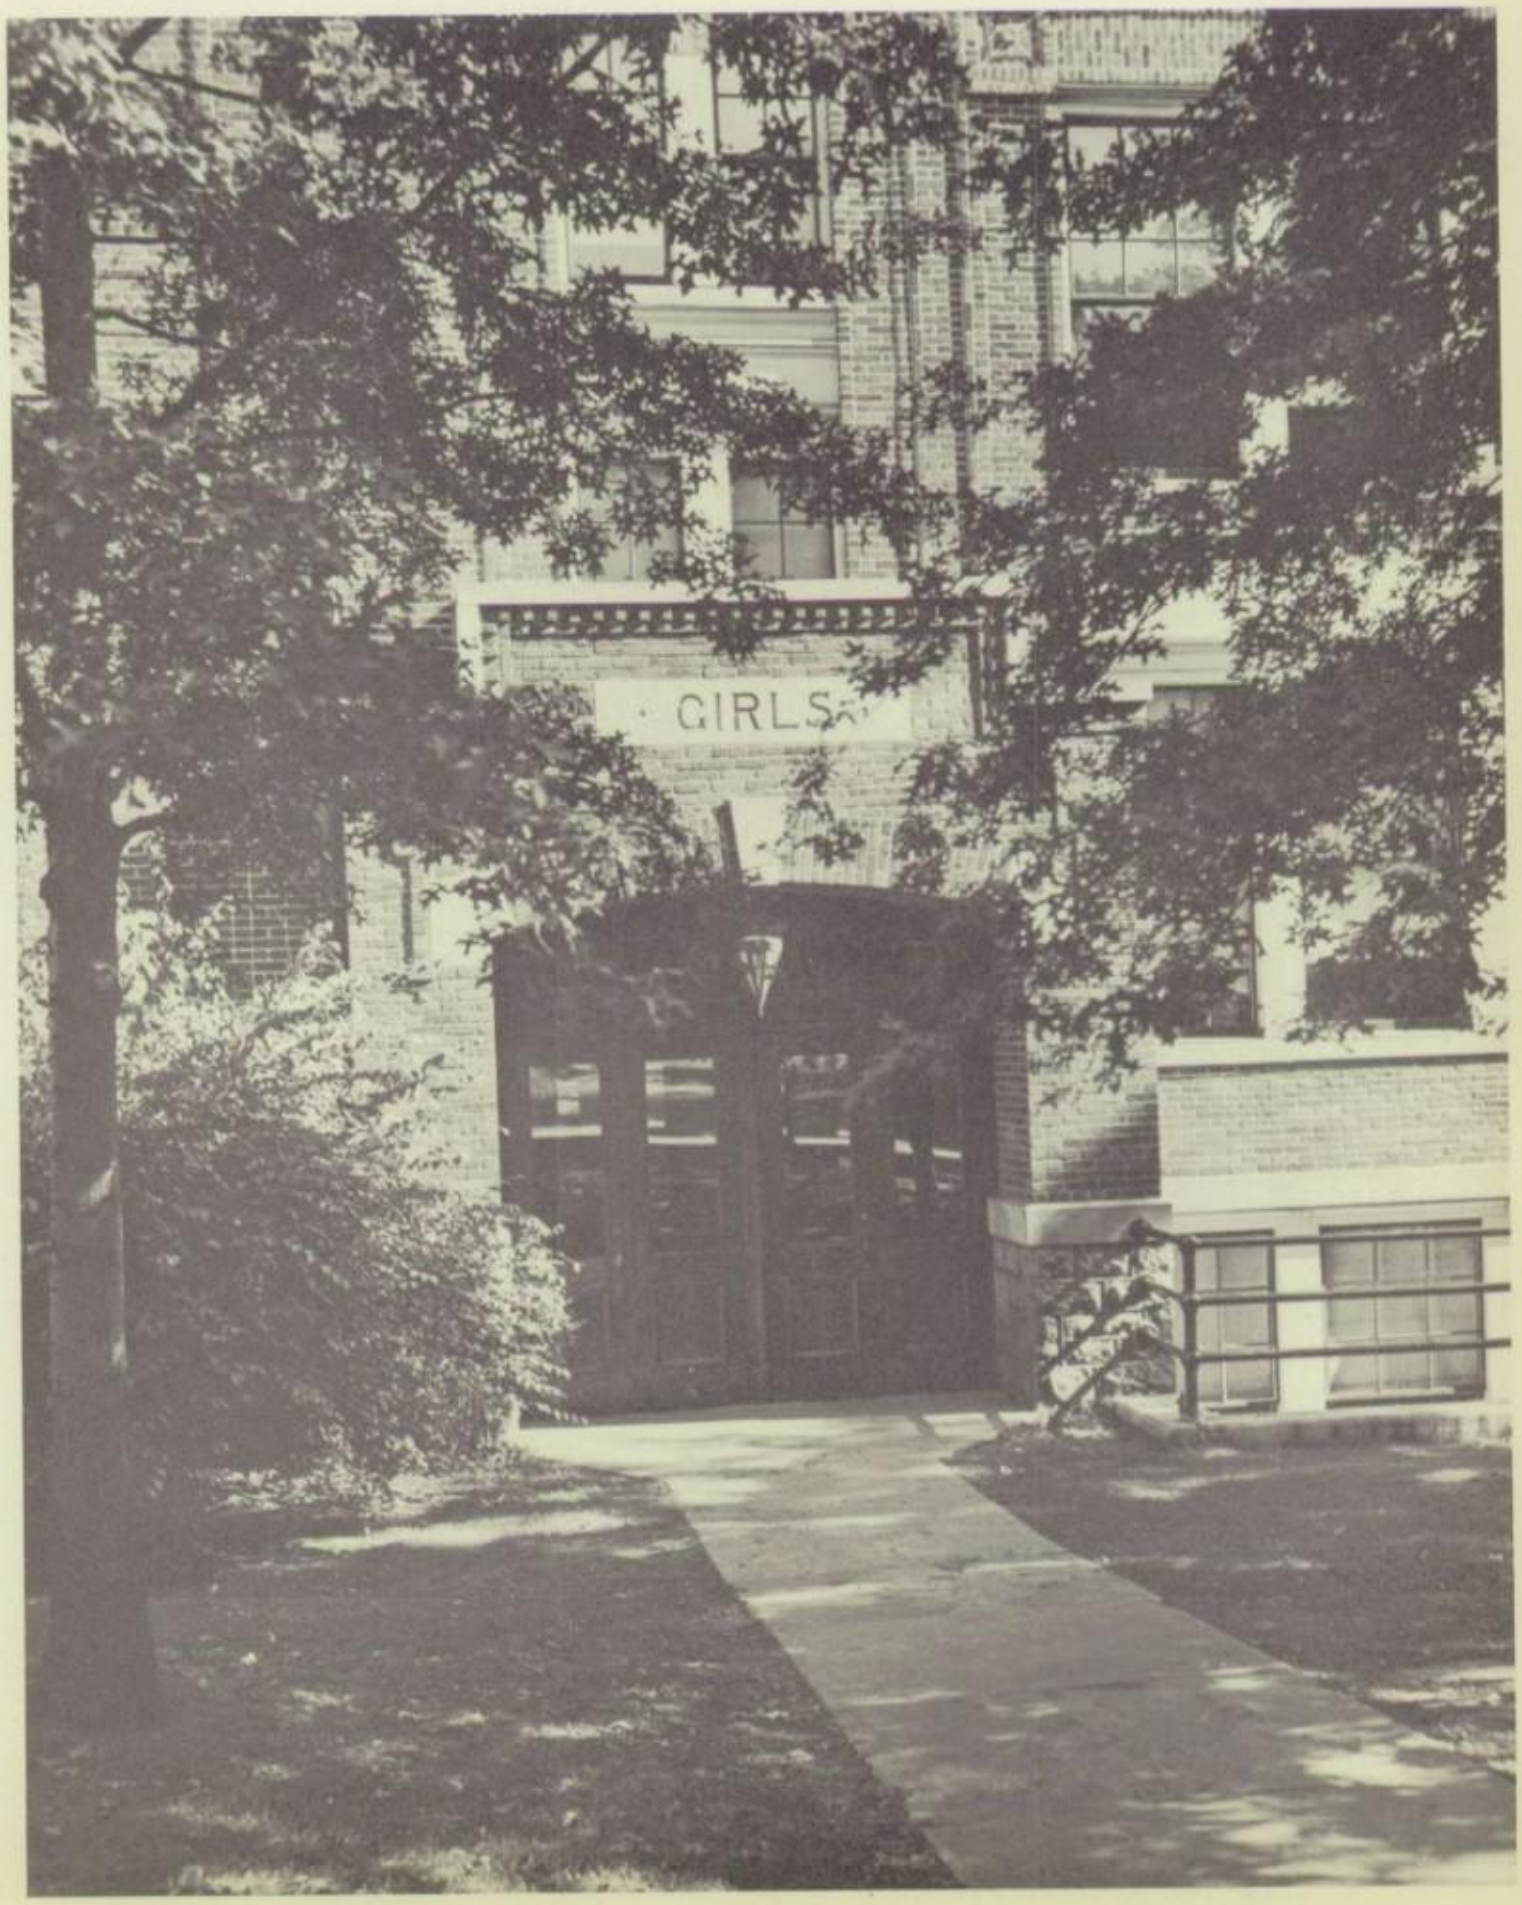
THE CLIFFS



The class of 1950 of Clarks Summit-Clarks Green Joint High School is proud to present volume twenty-five of the annual publication. From the Press of The P. A. Hutchison Co. with photography by Robert Merriman and entitled

THE CLIFFS

A year book records the high lights of our year. It represents an almost imperishable monument to the best of our school life. It is a preserver of memories that never grow old.

Awake in the morning to the prattle and tunes of the disk jockey—The Alma Mater and Fight Songs, The Hit Parade of "Pops"—Sunday morning and the anthem from the choir loft. Music indeed enters our most intimate and treasured moments and life would be intolerably drab . . .

. . . Without a Song

"Without a song, the day would never end;
Without a song, the road would never bend;
When things go wrong, a man ain't got a friend
Without a song."

"That field of corn would never feel a plow;
That field of corn would be deserted now;
A darkie's born, but he's no good no-how
Without a song . . ."

"I'll never know what makes the rain to fall;
I'll never know what makes the grass grow tall;
I only know there ain't no life at all
Without a song."

ADMINISTRATION

OUR DIRECTORS

CLARKS SUMMIT—CLARKS GREEN
JOINT BOARD OF EDUCATION

Sitting: Edward Turnbull, William Richards, Henry Ruger, vice-president, Arthur Vunderink, and Floyd Beemer; Standing: Bert Liles, secretary, James Wilson, president, Frank Simms, John Wilcox, Willard Fray, treasurer, and Esdras Howell, solicitor.

The class of 1950 feels fortunate to be living in a community such as Clarks Summit, Clarks Green, where so much effort and interest is expended by the citizens in insuring a modern and progressive educational system. We appreciate all the recent improvements the tax payers have made in our school through their representatives, the school board. The maintenance of buildings and grounds has never been more conscientiously furthered; teaching, administrative, and custodial personnel are adequate; our school offers students a well-equipped and extensive extra-curricular program.

As our school board looks to the future and undoubtedly plans more far-reaching educational progress, we feel that it will have the support of the entire population of our two boroughs in seeking to provide the best school building, equipment, and teaching personnel which can be afforded. Our board has established an enviable reputation among schools of this region for the excellence of the present school system and the management of its financial affairs.

We feel that special mention should be made of former members of the school board whose services have been lost to us within the last few years. Mr. Owen Williams, deceased; Mr. Percy McFarland; Mr. George Gregg, immediate past president; and Mr. Sherman Ranck, immediate past treasurer; the last three men mentioned recently retired from board service. We welcome and congratulate Mr. William Richards and Mr. Arthur Vunderink who were recently elected to our board; we are sure that their presence will be a worthwhile addition to this fine group of executives.

The entire faculty and I join in congratulating each member of the graduating class of 1950. We extend to you our best wishes for health, happiness and continuing success. We offer you our co-operation and assistance in meeting various problems in college or in just plain living. We will all take a great deal of pride in your future achievements and success.

We find approximately 50 per cent of our graduates enter college every year. We help these students decide upon colleges, and scholarships, if such help is requested.

Other careers besides those involving college education are also planned with interested students by the guidance department, in co-operation with parents, teachers and outside businesses or agencies.

We encourage students with ability and interest to investigate and attend technical schools or become apprentices in order to become skilled workmen.

SENIORS

FRANCIS AUGUSTINE

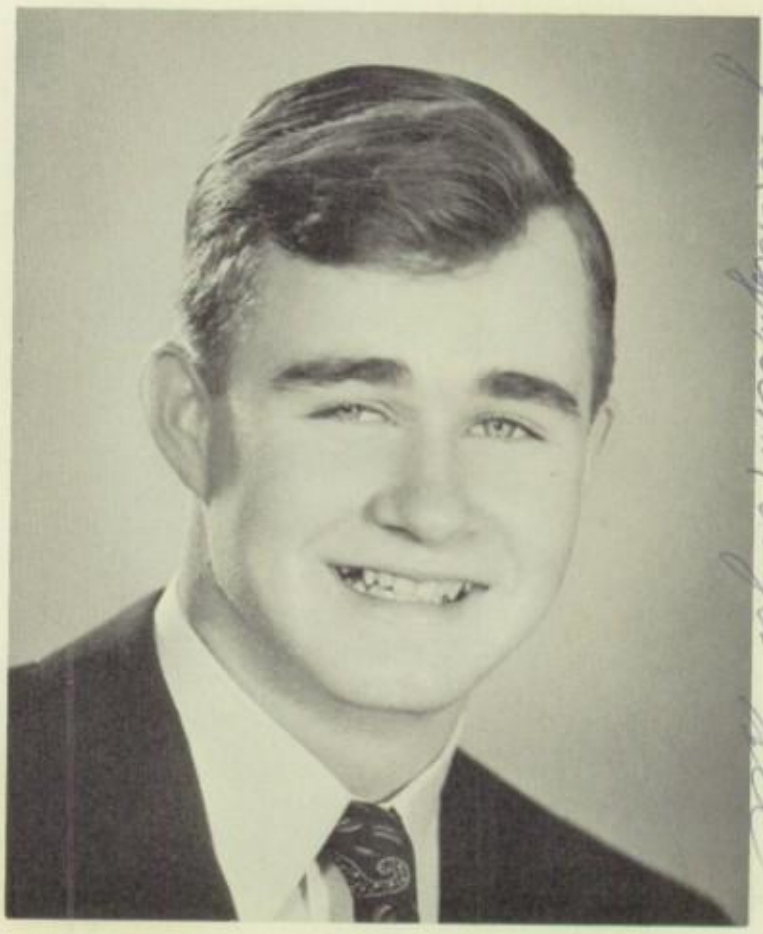
"Dark Eyes" are Francis' most striking feature. Even though she is short, she is attracted to tall people, which results in a Mutt and Jeff combination, well-known around the halls. Her quiet, charming manner accounts for her success with what she attempts.

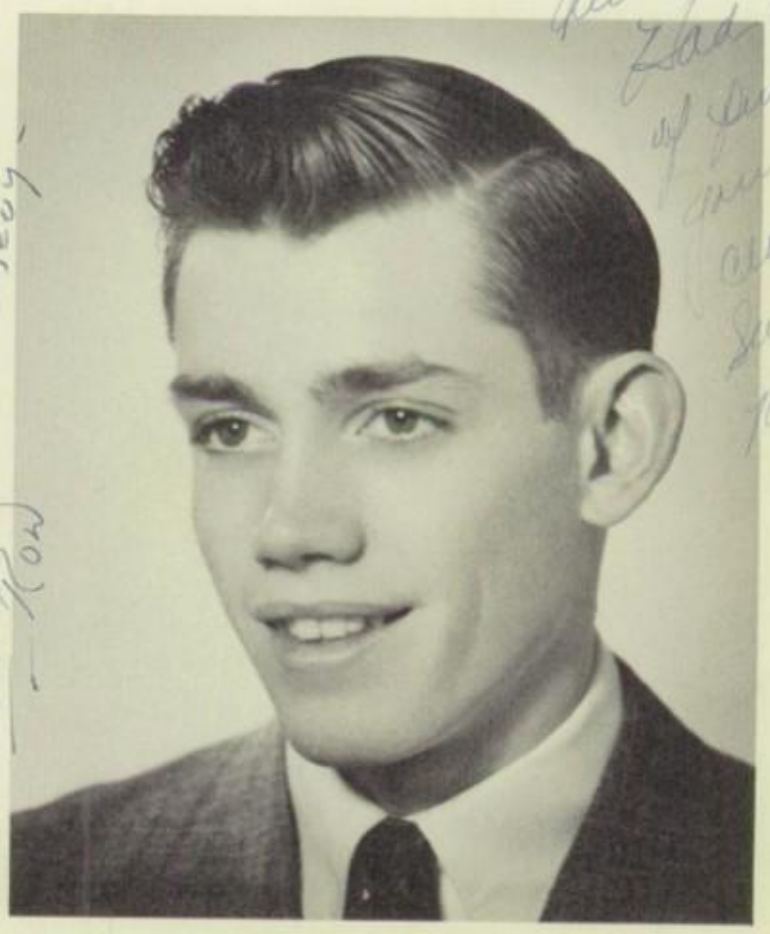
DOROTHY BRITTAIN

"There's a Song in the Air" when Britty's around. A talented musician, Britt plays the trombone and sings alto in the Girls' Ensemble. She is going to study music at Mansfield State Teachers' College. From what we've heard, she's bound to be a success.

LEE BOYCE

"It's Magic" the way Lee zooms around on his well-known, white motorcycle. Lee can usually be found in Providence. He played football in his senior year. Lee is an expert hunter and a great lover of the outdoors. He thinks he will join the army after graduation.





RONALD BRAY

"Me any My Shadow." Bray is never alone. His long list of friends is headed by Ron Reese. Ron is another of the class car friends. Ron's art club escapades have gained him the affection of Miss Brace. He hopes to attend college after graduation.

JOAN CHAPMAN

"There, I Said It Again." Joan is always giggling in class or saying something witty. She is in the upper part of the class. Took a lead in the senior play. Is another member with musical talents. Plans to attend Eastman School of Music. Joan's wardrobe is the envy of girls.

RONALD CALVEY

Ronnie's "Smiles" reveal his pleasant disposition and pleasing personality. He is never seen in the same car twice. Ron plays basketball, and likes all other sports. He must be in poor health since he is frequently at Dr. Newman's. Ron claims study halls are his favorite subject.

LILLIAN COOK

"Looky, Looky, Looky; Here Comes Cooky." Pat is welcome in any group because she is always willing to help. She is a steady worker in the art room, or at anything she undertakes, for that matter. Pat likes to dance, and she always has plenty of partners.

PRINGLE CRISPIN

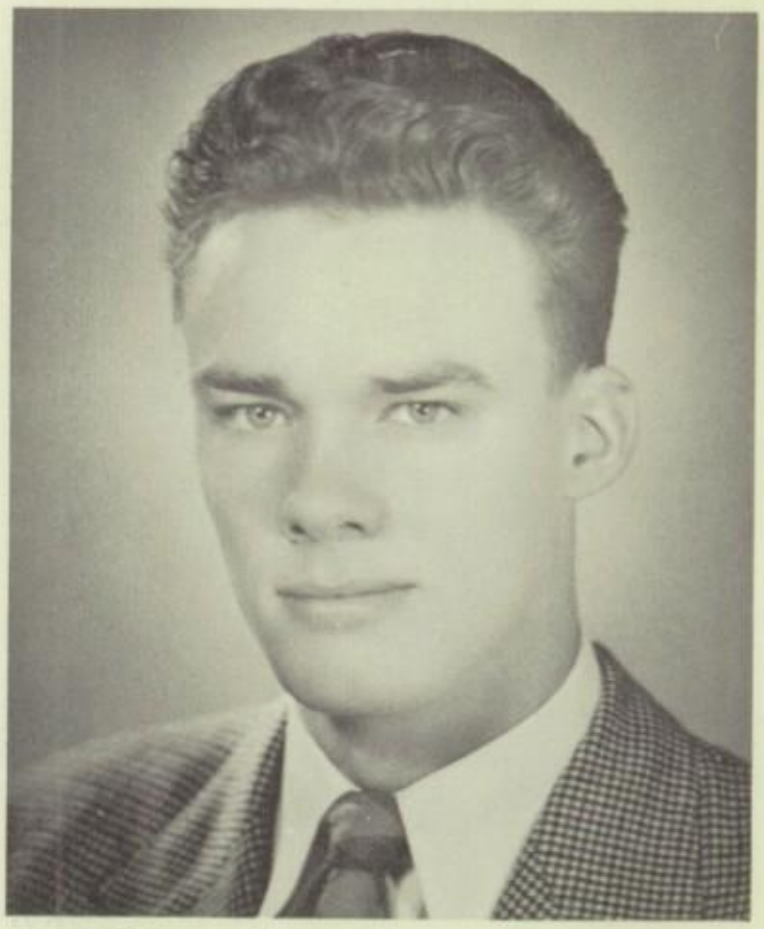
"Dance Ballarina Dance"—No truer words were ever spoken, Pring is known for her graceful dancing and other talents such as singing and piano playing. Is intelligent and very idealistic. Played varsity hockey, and took a part in the senior play.

ERNESTINE DAVIS

"It's Magic" the way Teeny can transform a blank canvas into a masterpiece or yarn into beautiful argyles. The unofficial knitting instructor of the class, she's always willing. Teeny has been a cheerleader for four years. Has softest voice in class.

DAVID DENNEN

Dave is always "In The Mood" to do a poster. He has outstanding artistic ability. Dave is friendly to everyone and never irritated. A prominent football player and active member of the class. He wants to go to M. I. T. Dave can do any job efficiently.



EDITH DONVITO

"Brown Eyes" sparkle like the ring on her third finger, lefthand. Edith surprised us so much this fall when she arrived sporting an engagement ring, that all we could say was, "Lucky guy." Edith has an even disposition and a vivid sense of humor.

JANE DERSHEIMER

"Little Girl"—and that she is, the tiniest member of the class. Came to us in our junior year from Scranton. Proved an asset by helping in all the activities. Plans to be a nurse, and we know she will be a good one. Noted for her alluring brown eyes.

KATHLEEN DYMOND

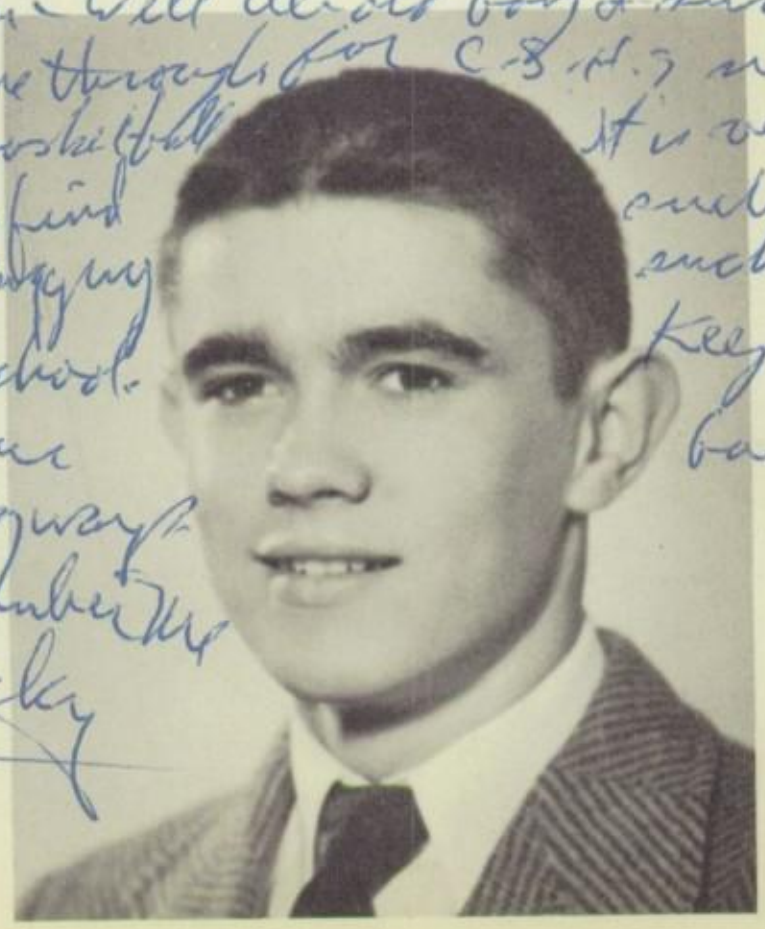
"Slightly Fantastic" is the remark made most frequently about Kitty's basketball ability. A graceful addition to any court, Kitty can cross the floor in two leaps and a dribble. She has talented digits, too. She's held the typing speed record since last year.

DONNA DOTY

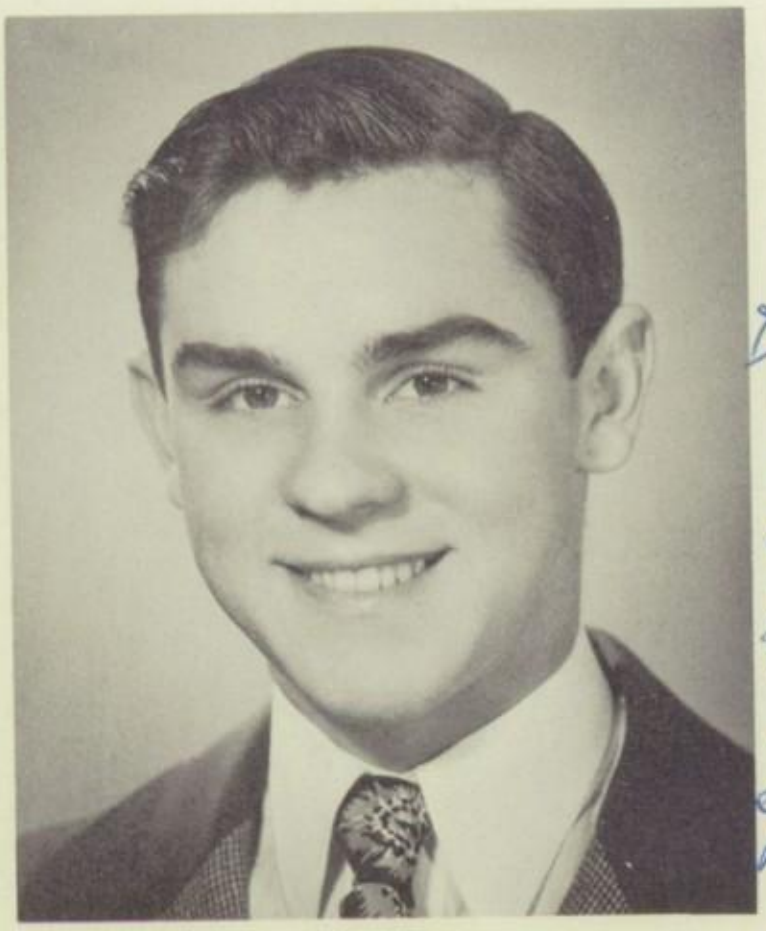
"Put Another Nickel In" if you want to make Doty happy. She likes music, especially Bee Bop and Jazz. Her poems rate her as the Longfellow of the class. Donna haunts the Varsity juke box. She has been commuting from Dalton for three years. She's always in a maroon Chevy.

WILLIAM EVANS

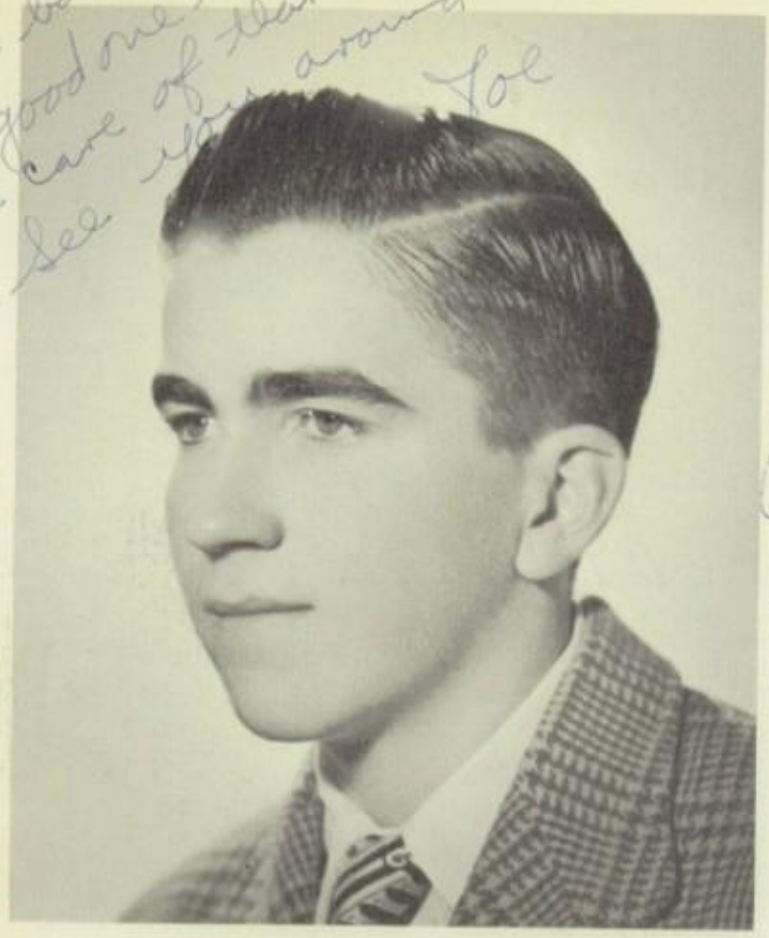
"Billy Boy" has a remarkable talent for dramatics. Buck also possesses a fine tenor voice. His sharp wit, fine sense of humor, and unexcelled personality illustrate where there's Bucket there's life. He has plans for a career as a teacher and expects to go to Stroudsburg.



ROBERT EDWARDS

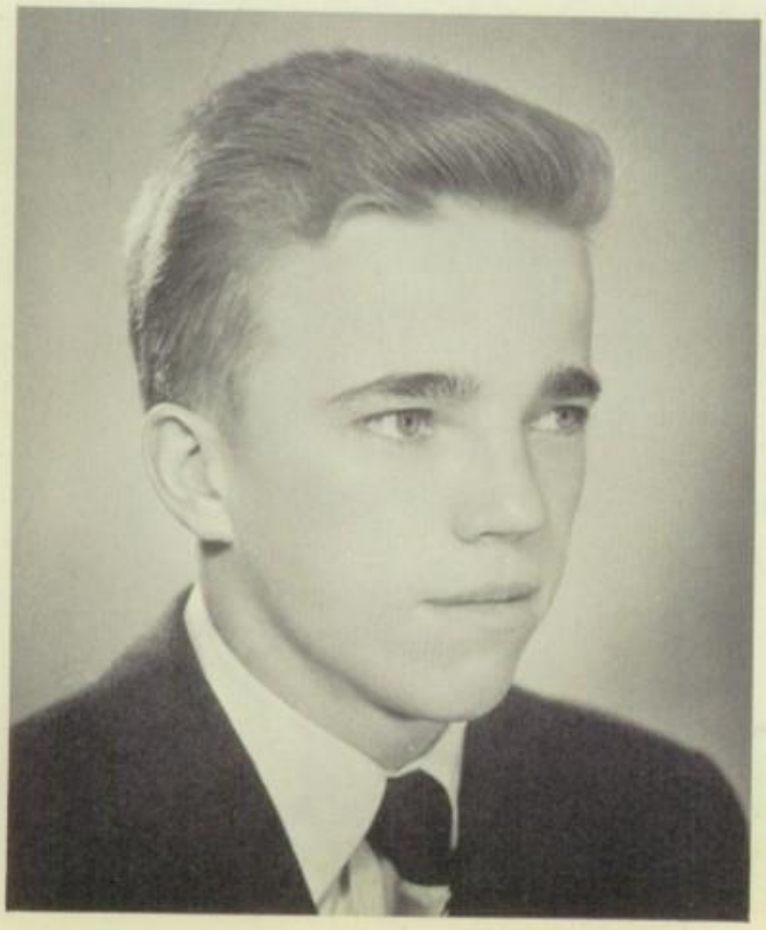


That "Baby Face" never manages to hide the mischievious gleam in Bobby's eye. He is often seen with Bob Jones. Although Edwards is a good football player, his bad leg kept him out of several games. His black Studebaker is a familiar sight in the Summit.



JOSEPH GLYNN

"Did Your Mother Come From Ireland?" Joe looks as if he did. He is short, his face covered with freckles. Because of his enthusiastic nature he is a bit quick tempered, but that is balanced by an even disposition. Joe spends much of his time at the Varsity.

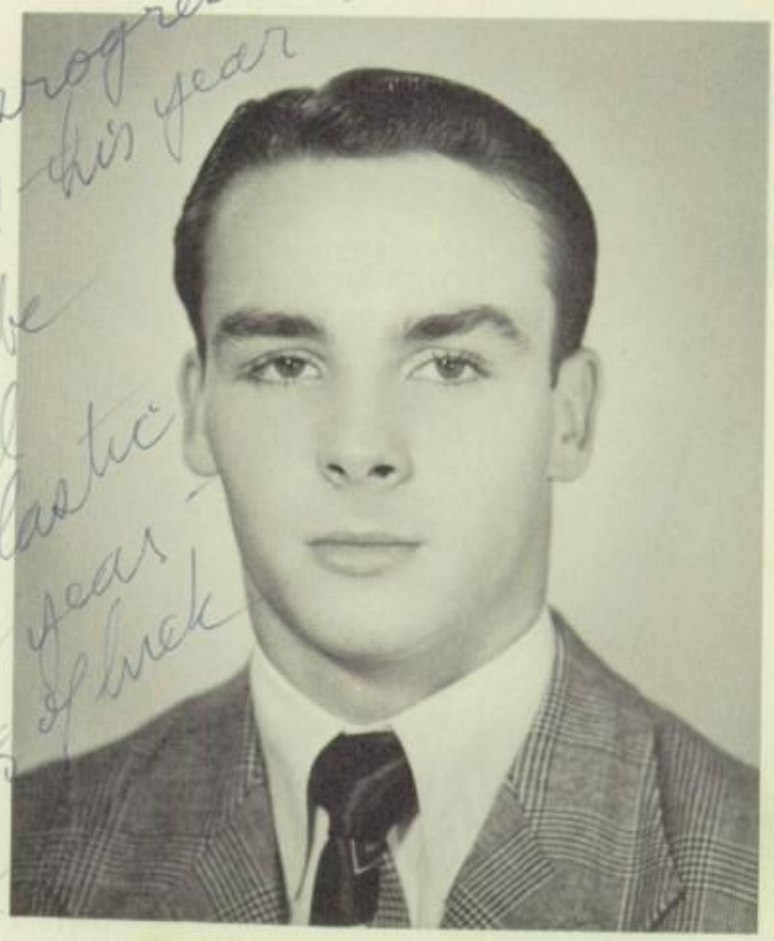


ALFRED GYR

Al is "The Farmer in The Dell." He works at Quackenbushes all year. Al is one of the smaller members of the class, but he was on the football team in his freshman year despite his size. He expects to follow through in the agricultural field after graduation.

THOMAS GOINS

"You Call Everybody Darling." Tom is a witty conversationalist, who has a way with the women. An all-around athlete, he's been a varsity man in football and basketball for three years. Drives the maroon marauder with ease. Tom plans to study law at college.



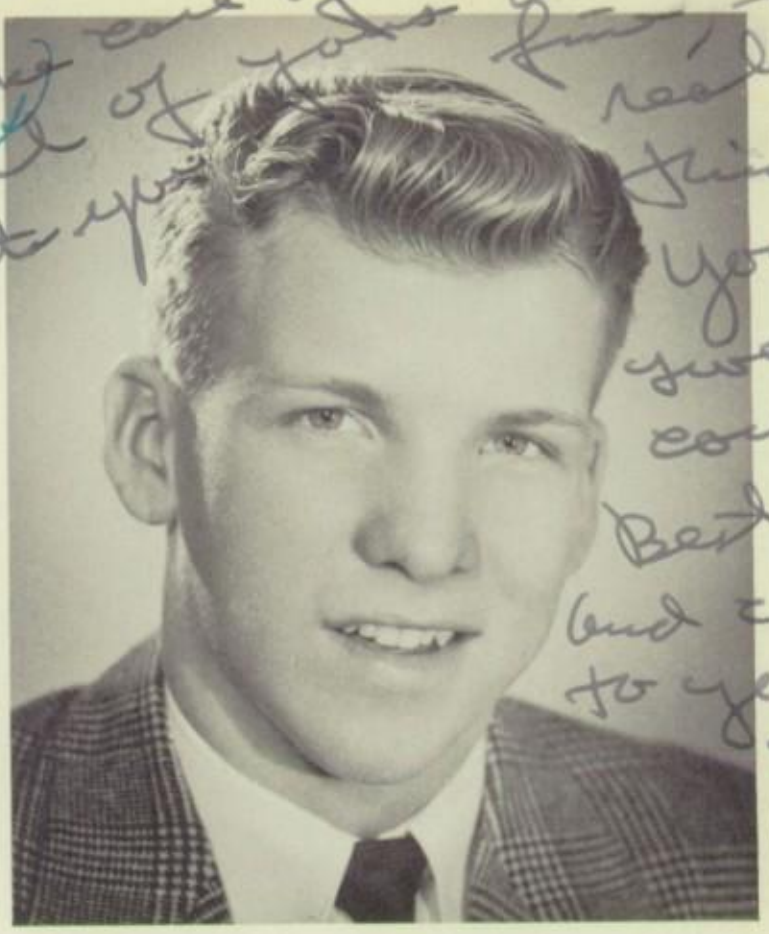
JOSEPH GUZZI

"Don't Cry, Joe" is a song often crooned to Joe. Although he is a bashful member of the class, he has been a member of the football team for four years. The president of the junior and senior class. Joe plans to attend the University of Scranton or Miami.

ALMA HERRON

"Ask Anyone Who Knows" and they'll tell you what a swell girl Alma is. Her dark hair, olive skin, and brown eyes make a provocative combination. Alma is agreeable, and good humored. She is undecided about what profession she will follow.

WARREN HAFFNER



The "Lover" of the class, Warren is 5' 11", with blonde hair, blue eyes, and an outstanding personality. He was in the senior play. A wonderful mathematician and chemist. Warren can figure out all problems sensibly except those concerning girls. He likes short people.

HERMAN HOLT

"Drum Boogie" is what Herm shines at. He plays everything from drums to hookey. Herm loves to tell jokes and laugh at them. He is energetic, crazy about sports, and a neat dresser. Although he teases the girls he is never affected by their charms.

GIFFORD HOLT

"BeeBop's Spoken Here." Giff is a basketball star, well-known for his long shots. He's a great lover of music, especially BeeBop, which he can speak unusually well. Gifford dislikes girls; he's active in class affairs. Flies gasoline-driven model airplanes.

NANCY HONCE

"Five Feet Two, Eyes of Blue." Summit would be lost without petite Nancy and so would the boys. Has been a cheerleader all her years of high school. Plans to attend West Chester. Has a wonderful sense of humor and always has a smile for everyone.

PHYLLIS HOPF

"Ain't She Sweet?" is what everyone thought when Phil arrived at the beginning of eleventh grade. She hails from Tech where she was famous for her dimples. Phil is a "wiz" with a typewriter and shorthand pad. The business executive who gets her will be lucky.

RICHARD JENKINS

"Oh Promise Me" you'll make a touchdown or basket is what the coach sings to Jenks. He's Summit's contribution to the world of comedy. Jenks is attracted to the female faction of the population. Jenks likes singing almost as much as sports. He would like to go to college.

ALLEN HUMMEL

"The Song of the Woodsman" is for Al. He is the mighty mite of our class. He always has a joke and a big smile for everyone. Even though he isn't active in sports, he adds plenty of morale. "Boogs" loves the outdoors and would rather go hunting than eat.

RAYMOND JULIO

"Smoke Gets In Your Eyes" when Ray is around. Ray left when we were freshmen and returned in our sophomore year. A member of the baseball team. Ray did a great job on the senior play stage setting as Mr. Riker's right hand man. He's active in most other class activities.

ROBERT JONES

"A Wonderful Guy" is an apt description of Bob. Bob likes to sing and play pinochle. He is also a chess wizard. He likes his middle name, Clarence. If you can't find Jones, just look for Edwards. In the future if you need an M. D., call Bob.

JAMES KOVOLENUS

"Make Mine Country Style." Jim is another of the more bashful members of our class. He played football in his senior year, but a broken collarbone compelled him to spend most of the season on the bench. He is an expert hunter who rarely misses a target.

MARY E. KEAST

"Younger Than Spring Time." Mary has the distinction of being the baby of the class but that doesn't curtail her activities. She's always busy at something—"Clarkies' Capers," basketball, etc. Spends much of her spare time in Newark. Mary is easily distinguished by her blonde wavy hair.

WALTER KRAMER

"Trumpet Blues" are Nick's forte; he plays a hot trumpet. He is also an expert photographer and can usually be seen snapping pictures. Nick's usually in the company of a '46 Buick. He'd like to take up hotel administration after graduation. He'd make a great salesman.

ROSE KRENITSKY

"Mighty Like a Rose." She will always be remembered for her narrow escape in chemistry class; nevertheless, she plans to become a nurse. Rose is unassuming and quiet. She has a lithe figure and pretty hair. She lives in Edella. Rose always has a compliment for everyone.

GRACE LA FONTAINE

"What Are Little Girls Made Of?" Ask Gracie, she ought to know. She's five feet of concentrated pep and personality. Gracie is the lucky owner of a sweet disposition that ought to carry her far. She plans to attend Marywood College after she is graduated.

SUZANNE LADD

"If You Know Suzie." And we all met her in our junior year. Sue is musically talented, intellectual, a good actress, and one of our home ec. majors. She can be seen around with a certain football star. Sue has Titian blond hair that she's always cutting.

RICHARD LEWIS

Rich is a "Jolly Good Fellow" and a mighty clever one, too. Swing band is one of the many places he displays his talent. Besides being an artist and musician, he's a camera fiend. Rich is best known for his wise remarks which are a product of his quick wit.

ANN LYONS

"Take Me Out to the Ball Game" so I can see Ann Lyons play. Ann has turned professional on us already. A mighty wielder of the ash, she has been picked to play in the girls' league. She is greatly admired by a host of friends, and we all wish her loads of luck.

MARIAN MATTHEWS

"Sweet and Lovely" Marny has an attractive face and a great deal of poise. Since she has a keen brain and a pleasant disposition, you can always count on her for help. She has been an honor student all the way through school. A lot of fun, everyone likes her.

THOMAS Mc GOWAN

"Show Me the Way to go Home." Tom came to us in our sophomore year from Central. Tom is the guy whom you see when help is needed. He is well-liked despite the fact that he likes to play tricks. He lives in Chinchilla but he's usually seen in the Summit.

THOMAS MILES

"Get Out and Get Under" is Tom's theme song. He'd rather have a wrench in his hand and a motor before him than anything else. A class officer practically every year, he is well liked by all. Tom is well remembered for his broken leg, curly bond hair, and broad smile.

MILDRED MULLIGAN

"Johnny One Note" reveals one of "Muggies" inabilities. But, though she admits to not being musical she's true to the Irish with a winning smile and blue eyes. An actress and an artist, she starred in AH! Men! and placed in the National Scholastic Art Contest.

CLYDE MORRIS

"You'd Be Surprised" how far Pete can slam a baseball. He has been on the baseball team for three years, and the football team, two. Pete is well known for his great sense of humor, and his tricks on Tom Miles. He thoroughly enjoys driving his Ford.

SENIOR CLASS HISTORY

In 1938 our class of '50 began on the trail of knowledge. We enrolled at four local schools: Division Street, Grove Street, Glenburn, and Chinchilla. During the first and second grades we learned our A,B,C's, colors, and how to read, write, and add. Our third and fourth years were slightly more difficult with those long multiplication and division problems. The Division Street pupils came over to the Grove Street Grade School for our fifth and sixth years. During these two years we had a rowdy time with Miss Alexander's airplane club and hoop-playing during recess.

The Grove Street portion of the present senior class entered the mysterious high school for their seventh term. Changing classes and going to our lockers was quite a novelty. In seventh grade we put a "William Penn" assembly on, which turned out to be quite hilarious with our painted Indian faces. The cast included Jay Rieder, Gifford Holt, Tom Goins, Tom Miles, Joe Glynn, Allen Hummel, Ronald Calvey, Dave Dennen, Al Gyr, Pete Morris, and Adelaide Houck; the only girl in the cast. We had try-outs in Miss LaFontaine's room. The turnout was numerous and enthusiastic.

In eighth grade, Becky Newman and Tommy Goins received the American Legion Medals for being the outstanding girl and boy. The Chinchilla class had a picnic to celebrate their graduation. Lolita Robinson was valedictorian; Robert Jones, salutatorian.

By the time our class was nine years old, we reached freshman status. Ah, it was wonderful. We had a title, and our seats in assembly were within hearing and seeing range of the stage.

In our new maturity we had our first class dances, two record dances and a formal. That formal was an eventful affair. Although many of the freshman were a bit reluctant about dancing, and some knees knocked with "stage fright," we all had fun preparing for it.. Lolita Robinson was selected May Queen of the Frosh.

We have always been well represented in extra-curricular activities. Richard Jenkins, Dave Dennen, Tom Goins, Herman Holt and Jim Seeley were on the football team. Bill Evans and Joe Glynn were managers. Dorothy Brittain was a member of the hockey team. Tom Goins, Richard Jenkins, and Herman Holt made the boys' basketball teams, while Becky Newman, Kathleen Dymond, Nancy Spitzer, and Pat Murray achieved recognition on the girls' basketball team. Teeny Davis, Grace LaFontaine, Nancy Honce, and Lolita Robinson were chosen as junior cheerleaders. Dorothy Brittain, Joan Chapman, Donna Doty, William Evans, Nick Kramer, Janet Newcomer, Becky Newman, George Ondrick, Carl Stoeckel, and Judy Watson all played in the band.

Our freshman student council members were Richard Lewis, Ernestine Davis, Nancy Honce, and Joe Guzzi.

The next year we sprang into action by electing Joe Guzzi, president. Herman Holt replaced Tom Goins as vice-president; Rich Jenkins replaced freshman secretary; Jim Seeley, and Marny Matthews succeeded Herman Holt as treasurer.

The student council representatives included Ernestine Davis, Nancy Honce, Page Norton and Dave Dennen.

This year our class had the distinction of having the greatest representation on the football squad. Jim Seeley, Tom Goins, Rich Jenkins, Joe Guzzi, Dave Dennen, Nick Kramer, Gordy Samuels, Tom Miles, Ronnie Bray, and Ronnie Reese. Ann Lyons, Pat Murray, Janet Newcomer, and Lois Pethick play-

ed on the hockey team, with Dorothy Brittain and Becky Newman working in the capacity of managers. When basketball bounced in, Tom Goins, Herm Holt, and Rich Jenkins achieved starry heights on the boys' basketball team, while Kathleen Dymond, Ann Lyons and Nancy Spitzer helped the girls' team to success.

Came the season of St. Valentine, and we were ready for the Sophomore Hop. Herman Holt with the able assistance of Freddie Carter supplied the melodies. The decoration of the gym was hearts and cupids.

This was the year that we had the first touch of long skirts—remember the controversies?

When spring came, the young men's hearts turned to baseball; Tom Goins, Joe Guzzi, Herman Holt, Richard Jenkins, Pete Morris and Gordy Samuels represented the sophs.

When the junior year rolled around, the class elected Dave Dennen, president, Tom Miles, vice-president, Pringle Crispin, secretary and Milly Mulligan, treasurer.

Our athletic representatives include Dave Dennen, Bob Edwards, Joe Guzzi, Tom Goins, Rich Jenkins, Pete Morris, Gordy Samuels, and Jim Seeley on the football team. Dorothy Brittain, Pringle Crispin, Ann Lyons, Janet Newcomer and Lois Pethick were our hockey stars, with Becky and Mary Elizabeth managing. Gifford Holt, Bill Evans, Tom Goins, Warren Haffner, Herman Holt, Ann Lyons, Nancy Spitzer, and Kathleen Dymond, with Mary Elizabeth Keast and Gordy Samuels girls' and boys' managers respectively, put the necessary pep into the basketball games.

The juniors elected Jim Seeley and Bob Edwards, and re-elected Nancy Honce and Ernestine Davis to the student council. Because separate junior and senior plays were impossible, the two classes teamed with the music department to put on the operetta, **The Forest Prince,** from Tschaikowsky.

The financial success of this production enabled us to have a super prom for the seniors; we held it at the Hotel Casey, with Al Anderson's orchestra; Miss Mildred Mikolan and Miss Theresa Knoetgen served as chaperones.

In November the class officers and Rich Jenkins, Becky Newman, and Tom Goins were called out of class to pick rings. After much contemplation, they eliminated all but three companies. The final decision was up to the class. Then we had to wait in wild anticipation until March to get them.

We celebrated Thanksgiving by gliding around the C.S.H.S. "Ball Room" on that night, stuffed and excited from the previous events of the day. The timely decoratings consisted of shmoo families, and Carl Passe provided the music.

Our Junior assembly will always be remembered by everyone that saw it. Besides being cleverly written, it was hilariously portrayed. It included everything from an operation to a can-can dance. At the term's close we could look back on a very pleasant, and eventful year.

On Sept. 7, 1949 we started our senior year. Our senior year! After eleven years it's finally here, bringing lockers on the main floor, front seats in assembly, and a respectful undergraduate body. At our first class meeting Joe Guzzi was elected president, Tom Miles, vice-president, Phyllis Hopf, secretary, and Lois Pethick, treasurer.

The football team was stabilized by Dave Dennen, Jim Seeley, Joe Guzzi, Tom Goins, Gordy Samuels, Rich Jenkins, Bob Edwards, Pete Morris, Tom Miles, and Warren Haffner. Tom Goins, Bill Evans, Gifford Holt, and Warren Haffner helped to bring the basketball team through with flying colors. Ann Lyons, Kitty Dymond, Nancy Spitzer help up the girls' end of basketball for us this year.

On Dec. 14, 15 the thespians of the class of '50 banded together under the inspired direction of Mr. William Crum, to give **Ah! Men!** to the world. We don't know what is going to happen when the world gets through, but we had fun with it. The cast included: Pringle Crispin, Joan Chapman, Ernestine Davis, Dave Dennen, Bill Evans, Joe Glynn, Rich Jenkins, Warren Haffner, Nancy Honce, Sue Ladd, Richard Lewis, Marny Matthews, Tom Miles, Mildred Mulligan, Pat Murray, Becky Newman, Madeline Ondrick, Lolita Robinson, Janet Newcomer, and Lee Ann Whalen.

Miss Jones's homeroom elected Jim Seeley, Teeny Davis to the Student Council. Mrs. Beatty's elected Dave Dennen and Warren Haffner, and Miss Webber's elected Lois Pethick and Richard Lewis. Seeley, Dennen, and Davis were elected as president, vice-president, and secretary-treasurer respectively.

Came a couple of nights before Christmas, and what to our wondering eyes should appear, but a transformed gymnasium for our Christmas Ball. The decorations were seasonal, with Christmas trees, bells, and wreaths. Sam Gray provided the music.

This year Dorothy Brittain, Joan Chapman, Judy Watson, Lee Ann Whalen, Donna Doty, Walter Kramer, Becky Newman, and Marny Matthews were in the band, with Lois Pethick, Pringle Crispin, Pat Murray, Madeline Ondrick, Sue Ladd, Janet Newcomer, Arline Williams, Pat Cook, and Mary Stacknick swelling the ranks of the flag twirlers. Mildred Mulligan was a color guard, and Nancy Honce, Grace La Fontaine, Teeny Davis, and Lolita Robinson were cheerleaders.

We turned Italian long enough to have a spaghetti supper, in Our Lady of the Snows Church. The girls acted as waitresses, and the boys as bus-boys.

We had a card party too, but we can't brag about that.

Leaving the gym after graduation was the key turning in the lock. The door had closed on some of the happiest years of our life. We were alumni!

When ever we are feeling low, all we have to do is think back over our high school days. No matter where else we go, or what we do, they will always remain the happiest years of our lives.

JUNIOR CLASS HISTORY

Selected as our junior class advisors for '49 and '50 were Miss Mikolon and Mr. Arcangelo. Lou Guzzi was awarded the highest office of the class. His chosen assistants were Bob Roberts, Jack Godayte, and Yvonne Brotzman.

Strolling along the campus green in early autumn, we hear the echoes of the blue and white pigskin heroes as they drill diligently for the coming football campaign. The star-studded array of talent representing this resourceful class were "Joltin' Jack Mennig," "Fireballer Fritz Simms," "Fast Stepping Ralph Pettengill," "Hard Charging Joe Moran," "Gallopin' Gene Hilwig," and "Fleet Footed Ron Bayliss." Dependable Jack Godayte ably served as student manager for this high-flying contingent of future All-Americans.

The traditional Thanksgiving Day encounter featuring the orange and black Tigers of Tunkhannock and our own classy Comets was one of the highlights of the season. That eventful day was climaxed by the annual Junior Class Dance Festival. Over a hundred couples swirled to the melodies of Don Travis and his "rhythm makers."

The common scene after school at C. S. was the hockey team dodging the football players on the "Little Stone Bowl." More prestige was added to our annals of athletic achievements when nine starlets graced the field. These were: Nimble Natalie Nichols, Mammoth Mary Gladys Newcomer, Jolly June Herman, Snazzy Sue Williams, Dangerous Dolly Swerdoski, Jiffy Joan Morris, Fleet Flo Yambor, Smiling Shirley O'Neal, and Baffling Barbie James. Little Lydia Pratt managed to manage those gals with unswerving diligence.

Supporting our team musically were the following juniors: B. Roberts, A. Bower, J. Justin, B. Kembel, L. Chambers, M. G. Newcomer, Y. Brotzman, and L. Nichols. Our strutting majorettes were Laurine (Beanie) Lam and Dolly Swerdoski. They really added color and show to the band! Besides this collection of musically inclined juniors, seven flag twirlers reported for those early morning rehearsals. Those who supported us vocally were our three peppy cheerleaders — Shirley O'Neal, Joyce Walker, and Barbie James.

With the month of December came the thumping of feet and bouncing of balls; basketball season was here. With bright prospects in the form of Jumping June Herman, Dazzling Dolly Swerdoski and Jaunty Joan Purdon, we looked forward to a successful season.

In answering the call to defend Summit's basketball reputation for the 1949-50 campaign, came a host of juniors. The Olyphant game found these six versatile athletes decked out in the traditional blue and white: Reliable Rudy Holtzman, Rifling Ronny Bayliss, Jostling Joe Moran, Bounding "Burp" Cole, Aggressive Al Granger, and Amicible Al Briggs.

When spring rolled around, that great junior event, the prom, added a final bright spot to our junior year.

Triumphant Team, March On!

Late in August, with the hardest football schedule that a Summit Eleven ever had to face awaiting them, 40 determined gridders turned out for a grueling three months of practice. Under the able supervision of coaches Fritz Davidson and Fred Gabriel, the team came along fast despite the lack of veterans and the problem of learning a new offensive formation.

With spirits high, the Comets trekked to Duryea for the opening game, but the down-valley boys proved to be too tough, coming out on top 18-7. The new "T" offense did not click in the Duryea game.

The following week brought on the first conference game, and with it our first victory, a 14-0 win over the Green Wave from Jessup. After being held on even terms for the first period, the Comets pushed across two scores in the second period and protected them for the remainder of the hard-fought battle.

The Greyhounds from Olyphant were sent home yelping from a 13-6 defeat handed to them from a determined Summit Eleven. The Comets battled the maroon and grey on the sun-baked field with the mercury tickling the 80 degree mark.

Under the lights, the following Friday, the Crimson Tide of Dunmore enjoyed a 33-0 victory to celebrate the debut of their new flood-lite system.

Trailing since the early minutes of play the Taylor Trojans exploded in the last five minutes of play to give the Comets their second successive defeat. The Comets outplayed their favored hosts until the ebbing moments of the game when the blue and white completely fell apart because of the lack of reserves.

With the third victory "in the bag" the Archbald Rams intercepted a pass on their own 15 and ran 85 yards to tie the ball game 14-14. It was the Summit's first night game at home.

As stated in the paper—"an undermanned but gritty Summit Eleven saw its cherished dream of the triumph over a city-school fade into oblivion yesterday at Athletic Park. For three periods the Comets clung to their 7-0 lead after pushing their rivals all over the soggy turf and holding them without a first down for the first three quarters. Hardly expected to score against the 'Eagles' because they lacked the man-power to cope with "Fats" Robson's "behemoths", the Comets scored early in the second period. But as has been the case in previous battles, the Comets suddenly failed because of lack of reserves in the fourth quarter, and the Eagles struck through the air for two swift touchdowns. Undaunted, the Summit eleven drove to the Eagle two yard line in the last few minutes of play, but failed to score.

The Northeastern Conference Champions from Old Forge invaded the Summit the following week and drubbed the outclassed Comets 45-0.

A perfectly executed second period pass gave Tunkhannock a 13-6 victory to end temporarily the Comets long period of supremacy over tneir Thanksgiving Day rivals. The Comets scored first, but the Tigers, stopped on the ground, scored through the air twice. The game was highlighted by the spirit of the alumni who the evening before had raided Tunkhannock and white-washed the town.

So ended a hard fought season and the high school football career for Captain Jim Seeley, Joe Guzzi, Tom Goins, Gordy Samuel, Pete Morris, Rich Jenkins, Tom Miles, Lee Boyce, Jim Kovalenus, Rich Lewis, Bob Edwards, Dave Dennen and Warren Haffner.

The year's first hockey game at home with Marywood showed a very strong Summit team piling up a score of 7-0 in favor of Summit. Goals were scored by Murray, Hummel, and Lyons. The second game at Marywood showed a difference because of a large field. The only score came near the end of the game when N. S. Williams shot a beautiful pass to Lyons, who made the goal. The final score was 1-0 in favor of Summit.

The game at Wilkes-Barre on Oct. 21 was a sad one. Besides losing the game 1-0, the Comettes had numerous injuries. The home game with Wyoming Sem. was another loss for the Comettes by a 2-0 score. But lessons were learned from this defeat, and experience gained.

The third game with Wyoming Sem. ended in a deadlocked 2-2 score. Summit's scores were by Murray and Williams. The number of injuries was not so great in this game.

The last game with Wilkes-Barre on the home grounds was a thriller. Summit came through with the first score. Then Wilkes-Barre scored two, and it was getting near the end of the game when Summit scored another, which made the score 2-2, but Wilkes-Barre rallied and launched a fierce attack which scored another goal and won the game for them 3-2. Our goals were scored by Murray and Williams.

Those on this year's team were Janet Newcomer, Pringle Crispin, Pat Murray, M. G. Newcomer, Ann Lyons, Joan Morris, Dolly Swerdoski, Shirley O'Neal, N. S. Williams, Flo Yambor, Dorothy Brittain, Alice Brittain, who is a very promising Freshman fullback, Rose Ann Scott, June Herman, Natalie Nichols, Nancy Bayliss, Sally Beavers, Dot Hummel, Sue Harmon, Barby James, Mary Kinney, and Iris James. With many underclassmen on the squad for next year, things look promising for another big hockey year at Clarks Summit.

The Mid-Century Court Comets

The 1949-50 basketball Comets will go down in the annals of scholastic sports achievements as a quintet who gave their utmost efforts throughout one of the toughest seasons since Summit inaugurated the sport.

Coach John Arcangelo had to start from the bottom this year, since graduation robbed him of the services of 6 veterans. This year's initial five were chosen from Tom (fast break) Goins, Warren (jump shot) Haffner, Rudy (hook shot) Holtzman, "Slippery" Dick Jenkins, "Playmaker" Bill Evans, Gifford (swisher) Holt and "Lefty" Joe Moran. Those regulars were given valuable assistance from other varsity members, "Heavyweight" Gene Cole, "Hard driving" Ronny Calvey, "Skyscraping" Al Briggs, "Defensive Demon" Jack McMullan, Ronny (court man) Bayliss, and "Lightning" Al Granger.

The Comets, at this writing, were sporting a 3 won and 7 lost record. However, the Summit lads were firmly entrenched in 2nd place (in hot pursuit of 1st place Benton) in the Suburban League standings with a 2 and 1 slate.

Dec. 6 — Comets open at Olyphant — Summit dropped a 36-33 thriller on winners' court. Rudy Holtzman split the cords for 14 points to pace the Comets.

Dec. 9 — Comets vs. Rams — The Comets drubbed Archbald 46-28. All of the squad participated in this victory festival. Tommy Goins led the scorers with 18 points.

Dec. 13 — Summit lost to Dunmore — The Comets gave their all tonight, but the lads from Bucktown squeezed out a 41-35 win. Bucky Evans topped the scoring parade with 12. Haffner was the defensive standout.

Dec. 16 — Comets vs. Beavers — The blue and white clad stalwarts met some big boys on a small inferior court, and when the festivities were over, the Summit rooters left Fleetville on the short end of a 46-21 score. Rudy Holtzman netted 6 points to top the scoring for the home club.

Dec. 20 — Comets Open Home Season — Tunkhannock's Tigers visited the Comets to tangle in a league game. And when they left our fair campus they were smarting from a crushing 33-9 defeat. Rudy Holtzman meshed 13 points to lead the Comets.

Dec. 23 — Comets vs. Red Raiders — The Summit five dropped a hard-fought 37-26 battle on their home court to Scranton Tech. Rudy Holtzman led the Comets with 7 markers.

Dec. 27 — Comets vs. Alumni — The "Old Grads" proved to be too strong for the Summit five when they used a 3 platoon system in handing their former schoolmates a 32-18 loss.

Dec. 30 — Summit vs. Taylor — The blue and white clad quintet travelled to Taylor to absorb a 36-23 defeat. Warren Haffner and Rudy Holtzman topped the Summit marksmen with 7 points apiece.

Jan. 3 — Comets Rack Factoryville — The Summit quintet toyed with Factoryville to the tune of 54-21. Rich Jenkins led the Summit attack with 18 points.

Jan. 6 — Summit at Newton — The Comets travelled to Newton-Ransom to battle a small but scrappy Newton quintet. The Avengers couldn't miss on their home court and handed the Comets their first defeat in eight years. Warren Haffner meshed 16 points.

Mr. Arcangelo feels that with the passing of each game the players are gaining more experience and more confidence in themselves. We hope to make a record that will uphold Summit's long-standing court reputation.

Take Me Out to the Ball Game

"There's the windup.....the pitch.....it's swung on and driven to deep left field.....it's still climbing.....it looks like it's going to be! it is .....it's a home run!!! Just listen to that crowd cheer."

That's a sample of the baseball thrills of Clarks Summit High School's colorful 1949 baseball season. Every afternoon, last spring, one could hear the smack of leather on leather as the diamond hopefuls warmed up behind the school with catching practice. Now and then a tinkle of glass would be heard as some enthusiastic squad member invariably picked a large window as a backstop.

The comet nine embarked on their 4th Lackawanna League, Northern Division, Schedule on April 19. They were again coached by that capable diamond wizard, John Arcangelo.

Last year's smooth-fielding, hard-hitting club was spearheaded by fleet-footed Tommy Goins, who pastimes at shortstop, and who finished the season with a very commendable .450 batting average. Dave Carter, Summit's bespectalled fireball flinger, lost some heartbreaking games and turned in a 1-5 pitching record. Southpaw Rudy Holtzman was the other mound mainstay, with a convincing 2-4 hurling record. Those three stalwarts, along with Gordy Samuels, CF; Pete Morris, 3b; Rich Bayliss, C; Lou Guzzi, 2b; Cliff Broadbent, RF; Herm Holt, LF; Ray Julio, OF; Jack Mennig, OF; and George Keller, IF; won 3 games, (beating Throop, Scott and Olyphant) while losing 9. Graduation cost us only 3 veterans, Dave Carter, Rich Bayliss and Cliff Broadbent. You can bet that the Comets will make a commendable record in the 1950 campaign.

When the clean, refreshing, spring fills the air, and the umpire dusts off the plate, walks out to the mound, and announces the batteries for today's game, Holtzman will pitch—Pettengill will catch, and then assume his strategic position behind the plate, and the leadoff batter will take his practice cuts; we shall once more hear the arbitrary bellow, that natignal call, "Play Ball!!!"

Best of luck to one of the best friends a fella ever had. Lucky guy!

On Guard, Granger. Im not going to wish you luck on the basketball team, because from these pages, you have enough luck to last you for thirty generations. You have the ability

The Comettes' first game of the season was a victory over Benton by a score of 38-23, with Spitzer and Swerdoski high scorers with 17 and 16. The next game with Factoryville was quite exciting in the first half; in the 2nd half the Comettes came out on top, 32-23, with Swerdoski high with 16 points. Traveling to Newton the Comettes suffered their first defeat after a hard-fought game. The last quarter proved to be a hope for the Comettes, but even with all their hard work they failed to win, and the final whistle blew with a score of 33-29 in favor of Newton.

The fourth game with Scott also was another loss for the Comettes. Everyone played hard, but the guards couldn't stop Novak of Scott, who scored almost all of Scott's points herself. The Summit guards all had something the matter with them, from twisted ankles to indigestion, and they just couldn't get off their feet. The game ended up with Scott on top 35-25.

Summit then played host to Nicholson and really showed what they could do. The Comettes led all the way through the game until the third quarter, when Nicholson tied them at 9 all. There was no need for worry as yet, for the Comettes soon built up a 9 point lead. Substitutes were sent into the game throughout the third and fourth quarters, and the final score was Summit 40, Nicholson 28.

Summit then traveled to Dalton only to end up in a 25-25 deadlock.

The Waverly game, played on the Summit's floor was a sad one to lose. Waverly won 39-27.

The second half opened with a win over Factoryville on the Keystone court by a score of 34-16.

The Comettes this year were lucky enough to get new uniforms, which they had been hoping for for a long time. It was a fairly even season, with many winning plays and zoning type guarding introduced by Miss Cook.

There's Music In The Air

From the smart parade appearance of the 1950 edition of the Summit High marching band to the melodious strains of Christmas carols sung by the seventy-five-member mixed chorus, this year's musical program was a full one. Our band came up with something new and different every game; it even became a crowd of Hallowe'en witches at Summit's first night game.

Our school was honored this year by being chosen host to the Northeast District Chorus, when more than one hundred students from neighboring schools converged upon the Abingtons to sing together in a memorable concert.

Becky Newman, our hard-working accompanist, was our representative at the District Band Meeting at Sayre in December. William Newman and Barbara Kembel played with the Scranton Philharmonic at one of the Youth Concerts in January. Dorothy Brittain played in the November Youth Concert.

It was the grade school's turn to perform an operetta this year, and they obliged nicely under Miss Washeleski's capable direction with "Snow White and the Seven Dwarfs." Mr. Grove's swing band set the tempo with an evening of "pop" tunes at its annual dance; pleasant moment of melody throughout the school calendar were provided by the double quartette, the girls' ensemble, and our new "barber shop quartet."

STUDENT COUNCIL

The Student Council is an organization to give the students an opportunity to present their ideas and opinions to help in having a school of which we may be proud. The Council meets once a month and discusses such issues as assembly procedures, lockers, and traffic through the hall. One of the many duties of the Student Council is conducting an orderly assembly procedure.

Each year the Student Council sponsors a special "forum type" assembly. At this meeting all kinds of questions and suggestions are accepted from the students and discussed by a panel of interested persons.

Early in October, the students selected a boy and girl from each homeroom to represent them in the Student Council.

Officers of the Council are as follows: Senior Council: President, Jim Seeley; Vice President, Dave Dennen; Secretary-Treasurer, Ernestine Davis. Junior Council: President, Carl Hopf; Vice President, William Newman; Secretary-Treasurer, Janice Thomas. Mr. Crum and Mrs. Beatty are the faculty advisors.

CLARKIE'S CAPERS

Attention — C. S. H. S.!! **Clarkie's Capers,** our newspaper, which everyone enjoys reading, brings to you now an account of the facts about our staff of '49-'50 that result in the publishing of the periodical.

Long remembered will be the times Miss Heal, our advisor, has had to proof read the proof-readers' proofs, or the time Jack Watkins, our crossword whiz, couldn't figure out his own puzzle, or the day when, in a poll, everyone gave the same answer. There is an element of fun, as well as work, to publishing a school paper.

Attending and writing about games, collecting class news, and gathering all notes on objects of interest to the students of Clarks Summit High are some of the duties of those engaged in writing for the paper. Our printing staff gets the school paper on and off the press in time to meet deadlines.

In order to give you the best possible coverage of the Summit's most important happenings, we have worked hard and hope that you enjoy and appreciate the effort that has been put forth to make our publication of the highest quality. The little recognition pins given to members of our staff are tokens by which we can remember our associations with such an interesting activity as working on **Clarkie's Capers.**

For six weeks of intense rehearsal the cast lived in a world of fantasy. Or was it? Which is the weaker of the sexes? Scientists have proved that it is the male. Women can stand more cold weather, are healthier, and more stable emotionally. Why then, shouldn't women run the nation?

The year 2050 in the U. S. is a presidential year, and, as in the year 1949, away back in the dim ages of antiquity, the ominous threat of foreign war is bedeviling our female legislators and administrators. And, to cap the climax, the male of the species is chafing under his yoke of household domesticity.

The largest cast which ever took part in a senior play at Clarks Summit participated in "Ah, Men!" Eleven girls and seven boys romped through two hours of ludicrous situations.

The stage setting was in keeping with the ultra-modern nature of the play's theme. The color motif was salmon and grey with such futuristic artifacts as a teleray, dusting machine, and automatic climate control.

From November 7 to December 14, the large cast worked hard under the direction of Mr. Crum. During the final week the actors were constantly dodging the paint brushes of Miss Brace's decorating staff and the hammers of Mr. Riker's stage crew. But on the evening of December 14, the audience witnessed a polished production.
